Department of Health
Digital Fingerprint Applicants

The New Mexico Department of Public Safety and The New Mexico Department of Health has transitioned to a new fingerprint supported background checks provider, IDEMIA, effective May 1, 2023.

As of April 28, 2023, HSC is not yet a digital fingerprint site for IDEMIA. HSC is hopeful to be a digital fingerprint site for IDEMIA soon so we can continue to provide digital fingerprint services to our community members and partners.
